

HONOR BOOK

A book is a lasting tribute to honor a special person or occasion. With your gift, the Community Library of Castle Shannon will purchase a book for our collection. A bookplate on the inside cover notes the name of the person in whose honor the book is being given and your name. An acknowledgement will be sent to the honoree.

You may suggest a specific book or general subject.

To arrange for a Honor Book, please complete the information below.

Given in Honor of: _____
